Exam Preparation

Please share this page with your patient

MRI / MRA

Wear loose, comfortable clothing with no metal buttons, snaps or zippers. Jewelry, hair pins and removable metal must be removed before the exam. Please avoid eye makeup if your head is being scanned. Unless told otherwise, eat and take your medications as usual. Bring a list of current medications.

MRI Arthrogram

Please call at least 24 hours ahead if you take blood thinners (such as warfarin), have diabetes, have a contrast allergy, are being treated for an infection, or are claustrophobic. You will meet the doctor and sign a consent form before the exam.

X-Ray

No preparation is needed. Please tell the technologist if you are, or could be, pregnant.

What to bring

Insurance card, photo ID, this order or your referral, and your completed patient forms (available at munstermri.com/patients.html).

LOCATION & HOURS

Munster Medical Imaging

625 Ridge Road, Suite A, Munster, IN 46321
Phone 219-513-9035 | Fax 219-513-9269 | info@munstermri.com
Monday - Friday 8:00am - 5:00pm | Saturday by appointment only

Most exams can be scheduled the same or next day. Studies are read by U.S. board-certified radiologists specializing in each type of study, with results usually within 24 hours.
